Aloha Chair and Council Members

Kanehili Cultural Hui of Ewa Honouliuli stand opposed to Bill 45.

Our single greatest reason is that we no longer trust the City government due to the bait and switch massive cost overruns of the rail. Bill 45 is just another malfeasance mechanism for City insiders to openly abuse an understanding with the public and turn public trust legislation into another big runaway corrupt scam with the money all disappearing down HART and City insider rat holes with no accountability.

Knowing the usual corrupt bait and switch tactics used by the City and HART the public cannot find any way to trust what may likely happen next, just like the rail fiasco. Money is being taxed and looted without any accountability by the City.

Honolulu Residents are extremely angry at huge multi-billion cost overruns in the historically expensive HART Rail Fiasco. Honolulu polls running hugely against the HART Caldwell administration as he threatens major property tax and fee increases for the elevated rail project that has gone from \$5 Billion to \$10 Billion and less than half completed. Estimates of up to \$20 Billion are extremely likely based upon the \$500 Million a mile cost escalations to date.

Everyone is AGAINST the rail crime and prays for a Federal Investigation.

According to a recent poll by the Honolulu Advertiser 78% of West Oahu are AGAINST further Rail Taxes as the HART rail project is completely unable to estimate final costs and is 8 years behind original operational service date.

Rail Poll Says NO MORE RAIL TAX INCREASE - Build To Budget or STOP

Hawaiians, Filipinos and those in the youngest age group ALL are the MOST OPPOSED to ANY rail tax increase according to the Honolulu Advertiser poll. West Oahu sees their legislative representatives becoming bought off stooges for HART rail profiteers.

Oahu residents have realized rail is a SCAM and will not do anything to improve their lives or future. It's just to make rail insiders rich while raising taxes, fees and the cost of living to benefit the Rail Mafia and the political crooks that they pay off.

Ewa Leeward where rail has already been constructed and where rail is supposed to "benefit" them has come out the most AGAINST any rail tax increase (78% against.) This clearly shows the endless rail lies are no longer working and clearly makes the case that Ewa Leeward needs a City Council in touch with the community and not big Rail Mafia cash.

As an ethnic group Filipinos as the largest group against the rail tax- 72%. They are also the highest percentage - 33% saying "stop construction immediately." Rail construction has largely destroyed the once beautiful historic community of Waipahu.

Huge concrete slab rail guideways next to apartment buildings and classic beautiful churches. The rail guideway removed all of the once beautiful trees, palms, bougainvillea that were in the highway center section of the former charming plantation community. It looks like an LA ghetto now.

Rail Poll Says NO MORE RAIL TAX INCREASE - Build To Budget or STOP

The FTA said specifically they WOULD ACCEPT A PLAN B - Build To Budget. - The Rail Mafia wants BILLIONS MORE to ruin everyone- the public will VOTE OUT, Impeach or Recall the RAIL CROOKS.

Oahu's rail 0.5% tax extension bill Hijacked, Payoffs to Outer Island Reps

NO ACCOUNTABILITY - all done IN SECRET. Nothing Democratic about it. Kauai, Maui, Big Island reps FORCING OAHU into MORE Rail Taxes- who is buying their votes? There should be a federal investigation. This isn't Democracy.

Dem party seen as CORRUPT, Bought Off and Out of Touch

ABC News/Washington Post poll. This is the same DEM party in Hawaii that crushed a highly popular alternative candidate.

Hawaii politicians prove AGAIN they are CORRUPT, Bought Off and totally UN-Democratic. The negatives HIGHER than for Trump.

Oahu being FORCED into Rail Crime TAX without public hearings. No one voted for this Rail Crime and the corrupt system of payoffs forcing the tax extension with NO ACCOUNTABILITY.

67% say Democratic Party is out of touch with the concerns of most Americans. That's a steeply negative turn for the Democrats, 19 percentage points more critical than when last asked three years ago, including especially steep losses in their base.

The Honolulu City Council has shown they are unwilling to hold the City and HART rail fiasco responsible and require the 21 Count City-HART Honolulu Rail Indictment.

Why the City HART Honolulu Rail project is out of control and requires a Federal Investigation. Hawaii Public considers Impeachment and Recall.

Listed Counts Involve – A long and established pattern of City Misrepresentation, Malfeasance, Lack of Fiduciary Responsibility, Coercion, Propaganda, Bribery, Graft, Conspiracy to Defraud, Breach of Contract, Racketeering, Perjury, Extortion and Pecuniary Gain for the benefit of rail project insiders cooperating in techniques and activity associated with organized white collar criminal syndicates identified under OCCA-RICO laws.

City, HART, State legislators ANTI-SCIENCE, Ignore Warnings By Top Science Experts

Massive Ignorance, Stupidity, Malfeasance warranting Impeachment and ReCall

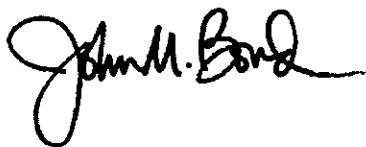

Thousands march in support of Science- yet City, HART, State legislature spending BILLIONS MORE for Rail and TOD's built in identified Tsunami, Hurricane, Sea Level Rise. All major Federal DOT advice, Lessons of Hurricanes IGNORED. This is the most ANTI-SCIENCE development plan possible which could be entirely avoided. But its all about LYING to TOD land buyers - who will SUE LATER after the Disasters hit. "Why weren't we warned?" This is THEFT by omission.

FEMA, NOAA, UH-SOEST WARNINGS IGNORED BY CORRUPT POLITICIANS

Getting PAYOFFS TODAY and making Oahu Tax-Payers PAY for this Malfeasance CRIME

MALFEASANCE, MISFEASANCE, NON-MALFEASANCE by Corrupt, Paid Off politicians, a Federal Investigation required when Federal Funds are involved in this Rail Crime.

Sincerely,
